**From our President –**

I am new to this job, and neglected to put this in our last newsletter: **A huge Thank you to Wayne Forbes for all the years he served our club on the executive. He is missed already!**

And a big welcome to our new members who have stepped forward to help out.

We enjoyed a great Fish Fry with excellent entertainment at our summer event. And I think most people were glad it was in an air conditioned hall this year

With summer almost over, we are looking ahead to our Fall events

# Member News & Information

What are we doing? We may be retired, but we can still be active!

The United Way Day of Caring was held on September 13, with lots of people from Imperial Oil and other organizations getting out and helping lots of others in our community. I was teamed up this year with a couple of guys from NOVA who had never participated in this activity before. We worked at cleaning gardens, trimming trees and making some minor repairs. Over the course of the day, we worked hard to get the tasks assigned to us done, and also had some good interaction with the staff of the agency we were working for and learned a lot about what they do. As a long time Day of Caring participant, I am encouraged when I see new people checking out this opportunity to volunteer and help our seniors, kids and families.

Looking for an opportunity to offer some of your time and talents? The many United Way agencies, and lots of other organizations, rely on volunteers to be effective. Don't be shy! Ask around if you'd like to find a place for you to help out in our community!
