December 2017

From our President Sharron Willock – Let us reflect on the past year, and be thankful for all we have and think of those less fortunate. In some way or another we all do our part in helping those in need.

We have enjoyed a good year, with our Valentine Lunch, our Comedy in Motion in the spring, VPP for the annual event was very enjoyable. Then the fish fry for our summer event, Golf and a great bus trip in the fall. We topped this off with our Xmas Dinner which I must say was excellent this year!

Your Executive have done a great job, but unless we have some new members step up to the plate this will not happen going forward.

Please, call me anytime if you would like more info. We have only 4 meetings a year and some jobs do not require a great deal of your time.

Have a wonderful Christmas and New Year.

Look forward to the new year!

Member News & Information

Did You Know: That most of the funds for our club activities come from the subsidy we receive from ESSO. The club is allowed to apply for this once per year at the end of June. We receive a subsidy for each member who has paid their membership for the current fiscal year AND who has attended a club event in the past fiscal year. So, come on out and participate!

And here's an early reminder, everyone's annual membership will be due in June 2018, watch for the membership renewal request in the April newsletter. The club must receive your dues before we apply for the company subsidy in July. If you are not paid up by then SLEAC doesn't receive a subsidy for you. This means that you will have to pay the guest price to attend a SLEAC event.
