| <p><b>From the President</b><br/>         As the incoming president, I knew I would need to get stuff done before I went on vacation, and mostly succeeded. I neglected to write up the President's comments, so here goes - direct from Nova Scotia.</p> <p>First, I want to express my gratitude to our (now) past president Sharron Willock for her hard work and efforts to fill in for me when I wasn't here or preoccupied during my VP stint. She went above and beyond for sure and I know that I will be able to call on her if need be.</p> <p>Our summer event at Canatara park was a successful and well attended event, and my thanks to the organizers. We're all looking forward to our fall and winter events. Golf in September, Fish fry in October and Christmas dinner/dance in November. Please see the newsletter for details.</p> <p>We're also working hard to fill openings on our SLEAC committee, so if you are interested in helping us out, please contact one of our Committee members.</p> <p>Here's to another successful year!</p> | <p>Contents:</p> <p>Page 1 President's remarks<br/>         Page 2 Member news and information<br/>         Page 3 Fall Fish Fry<br/>         Page 4 Picnic in the Park recap<br/>         Page 5 SLEAC Committee<br/>         Page 6 Christmas Dinner and dance</p> |            |            |                  |             |

## Member News & Information

What are we doing? We're retired, but we can still be active!

What fills your days? Have you got some hobby or volunteer work that keeps you active?

We'd like to give you an opportunity to share with our club those things that keep your mind and body young!  
Get in touch with us about your story

Speaking of stories, if you worked in the Lube plant or Packaging warehouse, you will notice if you drive by that those longstanding landmarks are coming down and being recycled.

One of my first neighbours in Sarnia (Gord Fawcett) was a boy when he started working for Imperial Oil. The timing of his new career was when the company name was changing from Imperial Oil Company Limited to Imperial Oil Ltd. So Gord's first task was to take his little pot of paint and a brush and paint out the word Company on every product container in the warehouse. I remember taking him through the warehouse when we had a family open house day back in the 1980's; he enjoyed revisiting the buildings where he spent so much of his working life.
