### From our President - SUBSIDY CHANGES

During the past couple of months there have been significant changes to the way annuitant clubs can apply to receive their subsidies. Previously we could apply twice a year - now it is only once and application is made in July. This will have a **dramatic** effect on how we run our events without your cooperation. Subsidies can only be requested for members who **have participated** in at least one event during the past fiscal year which was June 1, 2015 - May 31, 2016 **AND** have **paid their membership dues** for the upcoming fiscal year which is June 1, 2016 - May 31, 2017.

JUNE IS MEMBERSHIP MONTH AND WE ASK THAT EVERYONE PAY THEIR DUES THAT MONTH. If you do not pay your dues that month and register for an event later on this year you will have to pay the guest price. Help us keep our costs down and register in June. Thank you.

From the Editor: We spent a few weeks in Florida visiting real snowbirds this spring. One of our day trips took us to Bok Gardens. The fellow who built these gardens heeded the words of his grandmother "Make you the world a bit better or more beautiful because you have lived in it." Great advice for all of us, no matter what stage of life we are living!

# Membership Renewals

## IMPORTANT NEWS

The President's note on the first page explained why we need our members to RENEW their memberships during the month of June

Late renewals have a very significant effect on our clubs subsidy.

Please do not wait until an event comes in and try to pay your membership at that time.

The company subsidy is only paid to the club for members who have participated in at least one event during the past fiscal year which was June 1, 2015 - May 31, 2016  
**AND** have paid their membership dues for the upcoming fiscal year
