August 2019

From our President Larry Western

Welcome to the Fall newsletter for 2019. It seems strange since it is still summer to me and I've been enjoying it.

The first Columbia Employee Store offering was held and although we don't know any numbers, there were no issues that we know of, and when I went, I did spot some other annuitants there. So I think we can assume it was successful. The Columbia staff were extremely helpful also.

The Oil Part 2 event was very informative and fun, although the participation was down. We will be trying to figure that out, although it could just be vacations for a lot of people.

The next event is the golf outing, and very popular for those that do attend.

And although it seems a long time away, you will find more details for the Christmas Dinner/Dance also. Since it is our premier event, and we received a lot of feedback about last year, the committee has worked very hard to solve some issues and put on the best dinner/dance possible.

As for recruiting for our SLEAC Committee, that is continuing. We are still looking for 2-3 more committee members so give us a try if you've been thinking about it.

Continue reading for another exciting edition of the newsletter.

**From the Editor:**

We have been enjoying our summer in Sarnia-Lambton. There are so many things to see and do and participate in here. Check out Open Doors Sarnia-Lambton on Saturday September 28. On this day, access to places that may not be open often and are not only open but FREE too!

Did you know that . . .

We have a wonderfully healthy and active club!

Thanks to our very active planning committee, we are able to host several different events for our members each year, where we get to enjoy each other's company as we participate in these events.

A question raised at the Annual General Meeting about how many members we currently have was timely and helpful for us to see how healthy we are.

As of this past planning committee meeting, we have **390** members, including **24** new ones, who are eligible for subsidies from the company. We absolutely rely on the subsidy so that we can offer so many different, quality events over the course of the year.

Please remember that it is the combination of paid membership AND participation in at least one club event during the year that allows us to get the subsidy funding.

So, kudos to all of our members for helping to make our club healthy.  
And welcome aboard to our new members!!

## Future Event Registrations

Cheques must not be dated any later than the cutoff date for an event. Cheques dated for day of event will not be accepted.

## Transportation and accessibility

Please note that registrations for our events will include a line that you can fill in if transportation is needed or if you can provide a ride to the event. The committee members organizing that event will make an effort to link those that need a ride and those who can provide one.

For all of us, please remember to watch out for each other and offer assistance if needed to members with restricted mobility preferred accessibility.

## **Columbia Employee Store Promotions**

Hopefully many of you had a chance to get some good bargains at the Columbia Employee Store in London during our first invite earlier this month.

We have received positive feedback regarding the shopping experience and the friendly staff.

Remember that you can only shop at the store during the time period indicated on the invitation.

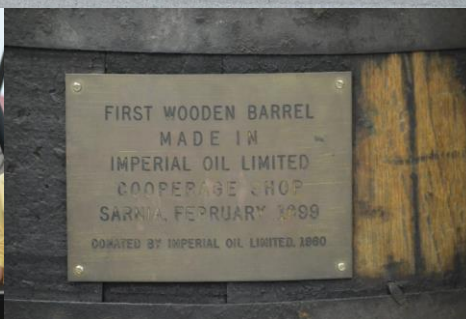

Since we do not have club membership cards you must take a copy of the invitation (either printed out or on your phone) and present photo ID (i.e. driver's license or health card) in order to enter the store.

Please let us know if you had any issues entering the store because of how your name is indicated on their list.

The name on your photo ID must be the same as indicated on their membership list otherwise you will not be allowed entrance; this mainly applies to people who commonly go by their middle name but their first name is indicated on their photo ID.

Contact Carol Barnes at [md.sleac@gmail.com](mailto:md.sleac@gmail.com) or 519 542 6159 if you need to update your name for the next promotion.
