### From our President Larry Western –

Welcome to the Winter newsletter for 2019. Winter has arrived a bit early, so please stay warm and safe

The second Columbia Employee Store offering was held and there was one issue that we hope has been resolved. For those that attended the Golf Event, we had a nice day, a nice meal and a very enjoyable time. The Christmas Dinner/Dance was held and a lot of effort went into addressing some issues, so I will report in the next newsletter how successful we were in making it the premier event for 2019.

The next event is an outing with the Sarnia Sting for half price in January. See more details in this issue. In February will be the Valentines Lunch as usual, and after that is the Spring event. So, as you can tell, we're starting the year off with a bang.

As for recruiting for our SLEAC Committee, that is continuing. We are still looking for 2-3 more committee members so give us a try if you've been thinking about it.

Please be careful during this winter season, and enjoy the festivities for this season. Continue reading for another exciting edition of the newsletter.
